

Family Housing Support Program

The United Indians of All Tribes Foundation is one of 20 Agencies in King County that has been awarded funding to support families in imminent risk of becoming homeless. This funding is specifically designated to assist families who are currently housed, and may be at risk of being evicted due to financial hardship. Short-term assistance is offered through progressive case management, to keep families in their homes. Some examples of services that we can offer are:

- Rental Assistance
- Utility Assistance
- Transportation
- Childcare Fees
- Work Uniforms & Equipment
- Professional Licenses
